ARTIST STATEMENT

I chose this art piece because I liked the way that the kids had expressions that you didn't really have to do anything with it. The art piece that I chose was the Edouard and Marie by John Singer Sargent. I just looked at the original and did what I thought they were thinking about (thought bubble), For the sound I used the sound that I think a fart sounds like, and for the emanata I used hites with briffits to show where the sound is coming from. I used line weight and stippling because they were the easiest to do. In my interpretation they will actually understand what the art piece is supposed to be, unlike the original because all the original is just two random kids in a painting.
